To Whom It May Concern:

Products manufactured by RES Pyro are intended for indoor and/or proximity applications unless otherwise stated. Products sold by RES Pyro are intended for "Professional Use Only" by trained and licensed technicians. Safe, responsible and legal use is the sole responsibility of the buyer/user.

Technicians must familiarize themselves with each product Safety Data Sheet (SDS), applicable National Fire Protection Association (NFPA) codes as well as local, state and federal regulations before attempting to use pyrotechnic devices.

A handwritten signature in black ink, appearing to read "Steve A. Coman". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

Steve A. Coman
